Effective Date: August 2026

Privacy Policy for MiniView

MiniView (“the App”) respects your privacy.

Information We Collect

MiniView does **not** collect, store, or sell your personal information.

The App does not require an account or registration.

Camera & Microphone

MiniView requests access to your device’s camera and microphone solely to record photos and videos at your request.

Recorded media remains on your device unless you choose to export or share it.

Photo Library

MiniView may request access to your photo library to:

- Save recorded videos
- Import media for editing or reframing (if applicable)

Your media is processed on your device.

Data Processing

MiniView performs video processing directly on your device whenever possible.

We do not upload your videos or photos to our servers.

Analytics

MiniView may use anonymous analytics and crash reporting to improve app stability and performance.

These services do not identify you personally.

Third-Party Services

The App may use Apple-provided services, such as:

- App Store

- StoreKit (In-App Purchases)
- Crash reporting
- Analytics (if enabled)

These services are governed by Apple's own privacy policies.

Children's Privacy

MiniView is not intended for children under the age required by your local laws.

Changes

This Privacy Policy may be updated from time to time.

Continued use of the App indicates acceptance of the latest version.
